

# 2022 High School Events by Day

## Tuesday 15 March 2022

---

### Events with a Digital Submission- Turn in on Judge Pro

Architectural Design, Biotechnology Design, Board Game Design, Children's Stories, Computer Integrated Manufacturing (CIM), Data Science and Analytics, Digital Video Production, Engineering Design, Fashion Design and Technology, Flight Endurance, Future Technology and Engineering Teacher, Geospatial Technology, Music Production, Photographic Technology, Scientific and Technical Visualization (Scivis), Transportation Modeling, Video Game Design, Webmaster,

## Wednesday, 30 March 2022

---

### Physical Component Turn-in

Architectural Design, Biotechnology Design, Board Game Design, Children's Stories, Computer Integrated Manufacturing (CIM), Data Science and Analytics, Digital Video Production, Dragster Design, Engineering Design, Fashion Design and Technology, Future Technology and Engineering Teacher, Geospatial Technology, Music Production, Promotional Design, Scientific and Technical Visualization (SciVis), Software Development, Structural Design and Engineering, Transportation Modeling

### Written Tests (Select tests may be available to complete BEFORE Conference):

Chapter Team , Forensic Science , Technology Bowl

### Prompt Pickup:

Data Science and Analytics- Semifinalists (24 hours), On Demand Video (~30 hours), Photographic Technology- Semifinalist- Independent Skill Challenge (24 hours)

### Day 1 Events:

Animatronics, Chapter Team, Coding, Children's Stories, Data Science and Analytics, , Debating Technological Issues, Dragster Design, Essays on Technology Extemporaneous Speech, Flight Endurance, Geospatial Technology, Photographic Technology, System Control Technology, Webmaster

## Thursday, 31 March 2022

---

Event Turn-in Submit Entry by: 1:00pm Photographic Technology,  
4:00pm Data Science and Analytics, On Demand Video

### Day 2 Events:

Architectural Design, Biotechnology Design, Board Game Design, Computer Aided Design (CAD), Architecture, Computer Aided Design (CAD), Engineering, Computer Integrated Manufacturing (CIM), Digital Video Production, Engineering Design, Fashion Design and Technology, Forensic Science, Future Technology Teacher, Music Production, Prepared Presentation, Promotional Design, Scientific and Technical Visualization (SciVis), Software Development, Structural Design and Engineering, System Control Technology, Transportation Modeling, Video Game Design  
TSA VEX Competition- Tipping Point

## Friday, 01 April 2022

---

### Day 3 Events:

Technology Bowl, Technology Problem Solving
